Maria Vaccarondo, Essex County Parrogate has a long history as a community activist. Her experience in the development of youth and the community is well established.

Because of her commitment to community, the Civics Association has selected individuals who have made a difference in the lives of people in their environment.

And so, the 1st Annual Spring Breakfast will recognize and celebrate the spirit of contribution.

Please join us as we honor: Nelson "Butchie" Nieves, Vice President, NJ Puerto Rican Parade; Sister Beatrice Bryan, NJ SHARE; and Dr. A. Lachary Yamba, President, Essex County College.
